About Family Support Services, Inc. (FSS)

Family Support Services, Inc. (FSS) is a registered non-profit founded in 1976. We have been providing **Child Welfare** services since our founding, **Child Care** since 1982, and **Early Intervention** (EI) services since 1994. The **Fairmount Early Intervention Center** was created in 1999.

Family Support Services Preschool teachers use the "Creative Curriculum" to frame the program's approach to early childhood education. This curriculum is fully aligned with Pennsylvania's Early Learning Standards.

Our educational team includes members who provide special instruction, speech, occupational and/or physical therapy to children who are experiencing delays in their development. Parenting, nursing, and social work support are also available to all children and families.

FSS' mission is to advance the healthy development of young children by strengthening the capacity of families to nurture them.
